

Sit Right Down

Toots and The Maytals

I never get together, get together,
Get together when I want.
You know, you know, you hear me?
I never get together, get to,
Get together when I want.
I will never get no way, no way.. no way!
Let me tell you!
I say something you passed up, baby,
Say I will never get no way, yeah, yeah, hey!

I never get together, get together,
Get together when I want.
You know, you know.
I never get together, get to,
Get together when I want.
One more time!
Ooh yeah! Come on now!
Let me tell you!

Grandfather say,
Something is over there for me.
Grandmother say,
Let me tell you what to do now.
My father say,
Son let me share it up for you
My mama say,
Let me tell you what to do.
I'm gonna sit right down and wait,
Wait a little while.
I'm gonna sit right down and wait,
Wait a little while.

I never get no way, no way,
Ooh no way, no way,
And I start to pass that way,
They say I will never get no way.
My father say,
Something is over there for me now.
And I tell him dad now,
Daddy I don't want to be that way now.
My grandmother say son,
Let me tell you just what to do now
I'm gonna sit right down and wait,
Wait a little while.
I'm gonna sit right down and wait,
Wait a little while..
