

## Country Women

Tornádo Lue

These be two countrywoman  
what a size!  
Grand big arms  
and round red faces  
Big substantial  
sit down places  
Great big bossoms firm as cheese  
bursting through their country jackets

Wide big lips  
and sturdy knees,  
hands outspread,  
round and rousy  
hands to hold  
a country posy

Or a baby or a lamb - and such eyes!  
stupid, shifty, small and sly  
peeping through a slit of sty  
squiting through their neighbours placket's.
