

Hello, my name is Chaz
My name is Chaz

Oh, oh, oh
Mmm, why you want to waste your time like that?
Oh, oh, oh
What you mean you don't know?
How you feeling when I act like this?
Oh, oh, oh
What you mean you don't know?
It wasn't long ago
You and me had to go
But that's how it goes, how it goes
Back and forth watch it flow
Now you know, now you know
Now you know, now you know, oh
Now you know, now you know
Now you know

It waits for you and it waits for you
Waits for you and it waits for you
Waits for you and it waits for you
Waits for you and it waits for you

Why you gotta change your mind like that?
Oh, oh, oh
What you mean you don't know?
For a second I forgot who I was
For a minute I was over you
For that year I was looking down
Someone hold me down, down with the truth
Die for my love, die for my grind
50-50 fail, fuck it, I'ma die flying
Oh satisfying, that's what the lying
Does for your crying, all of the lying

It waits for you and it waits for you
Waits for you and it waits for you
Waits for you and it waits for you
Waits for you and it waits for you
