

7-21-17_substitute_hifi_v3

Toro y Moi

It's that grand [?] substitute
It's that gonna take you out
It's that gonna put me in
It's that gotta figure this out

It's gonna be the longest night
Just don't lie
It's gonna be the longest night
Just don't love

Just gonna take a second to know me
It's supposed to if you try to see
I don't really mind how difficult
If she stick around, with friends able [?]

No, no, no, no, no, no, no, no

Just gotta [?] find the right time to get the fuck outta here
Cuz I wanna make my mind feel like it did not have anything to
feel [?]
Wake up at 5am with the lights on every day

Tonight, tonight, listen, listen
