

I wish I could be there  
See you everyday  
I don't have to call you  
I don't have a lot  
But you got to see my life  
Pretty sure you were gone ahead

Do you think we did it right  
You weren't lying when you said just wait till you live with so  
meone someday  
Some days slip right by me  
And I think I know why  
I make it through

It's imperfect  
It's not forever  
That you're further  
You're still patient

Some days you find me  
And I think I know why  
I'll make it through
