

Half Dome

Toro y Moi

Friday night we go watch music, saturday we do Half Dome
If you want to go ahead, just let me know
That wasn't all that bad, oh well, I'll sleep tomorrow
I think I'm take it slow, so don't wait up

Ahh, you must be waiting, you must be waiting, you must be waiting

(You must be waiting for me) ahh, you must be waiting
You must be waiting, you must be waiting
(Oh, you must be waiting for me) ahh, you must be waiting
You must be waiting, you must be waiting

I won't dare to look at time, look at who you are beside

(You must be waiting for me) ahh, you must be waiting
You must be waiting, you must be waiting
(Oh, you must be waiting for me) ahh, you must be waiting
You must be waiting, you must be waiting
