Monte Carlo

Toro y Moi

1997 Monte Carlo
That's not push-to-start, that's just turn and go
I can't take the BART, makes me paranoid
So I take the car just to check my tunes

Last time all the bounces, they weren't coming through
Last time had too many people in the stu
Damn, East Bay really get the heat
I been giving them all my energy

I want somebody
So ride that body
I want somebody
So ride that body

PDX to OAK
Isaac Brock, I float away
Landed in the East Bay
Uber messed up everything
Driver canceled on me
I can't take another train, oh, no
He said he just came from the city
I'm done with the bridges
I made enough to live with
Pick me up in a
