

Ordinary Pleasure

Toro y Moi

It's always the same as always
It's a game that we play
No ones safe

Maximize all the pleasure, even with all this weather
Nothing can make it better
Maximize all the pleasure
Maximize all this pleasure, even with all this weather
Nothing can make it better
Maximize all the pleasure

Does sex even sell anymore
I feel like I've seen it all
Or maybe I'm just old
Or maybe old

Maximize all the pleasure, even with all this weather
Nothing can make it better
Maximize all the pleasure
Maximize all this pleasure, even with all this weather
Nothing can make it better
Maximize all the pleasure

Oh this world, makes a lot of noise for me
Makes it hard for me to feel what I'm thinking
So its fine if you gotta get away
Oh its fine if you gotta get away

Maximize all the pleasure, even with all this weather
Nothing can make it better
Maximize all the pleasure
Maximize all this pleasure, even with all this weather
Oh nothing can really make it better oh no

Ooh, ah ah
Ooh, ooh ooh, ah
Ooh, ooh ooh, ah
