Ratcliff

Toro y Moi

A doctor and her lover settled in a Ratcliff home Taking day trips to Bolinas, they can barely see the road She says, "My meeting's cancelled, in the morning we'll stay So baby, please wait"

Let me give you a hug until this easing's light touch your eyes Or at least until the song finishes and we still try to sing al ong Rock and roll is here to stay

A boy who sings about how he's in a squeeze Ends up with oranges and an unused degree She wears those earrings almost every day Trapeze shapes Everything seems so simple, you can't tell if it's basically fa ke Scenes from uptake Cars on the edge passing him off to hell

Let me give you a hug until this easing's light touch your eyes Or at least until the song finishes and we still try to sing al ong Rock and roll is here to stay
