

## Rose Quartz

Toro y Moi

The time you came  
Don't lie to me  
Because I feel weak  
Because I feel weak

You turned around  
It's just like mine  
Because I feel weak  
Because I feel weak

And if I fall  
Into the sea  
Don't let me go  
Because I feel weak

So tell again  
Don't let it in  
Because I feel weak  
Because I feel weak

You turned around  
It's just like mine  
Because I feel weak  
Because I feel weak

And if I fall  
Into the sea  
Don't let me go  
Because I feel weak
