

Day of Cadavers

Torture Killer

Cadavers raped in ecstasy
rapture under the rotting skin
masticate the purulent flesh
sucking out the juices from within
putrid gutted corpses
annihilation of the flesh
lifeless body bleeding from the cunt
reeking of decay...and pus...

day of cadavers
dawn of the dead
flesh corrupted
in a day of the dead

massacre - you face defeat
your death marks my victory
don't need bowels in afterlife
they are served in paradise
meathooked and stripped
raised to the roof to drip
leeking holes are oozing out the pus
torn out innards cast aside...the corpse

day of cadavers
dawn of the dead
flesh corrupted
in a day of the dead
