

# Broken Promises

Tory Lanez

Promises

You give me some more promises

You give me some more promises

Give it some more promises

Promise, give you promises

You give me some more

Let me know now

Let me, let me know now

When this drink and this potion give me international high

Will you sit on my passenger side?

I don't want no one else, no one else

I don't need nobody, kissed you in my lobby

I met you inside, just all in my lobby

Drink inside of my hand

Shame all in my game

I just know I can't

Reason why I just can't, you know why I can't

And everything you do can't be the reason why

But I only want you for me, I'm selfish, babe

Thoughts of you block out my memory

Oh, and if I could I would, if I could help it

But I can't help it, no

Drop my pin, share location with nobody else but you, baby

You know I go loco in it, I know what you need

I promise that these promises'll be what you believe

You'll hear what you need, yeah

I need way too much of you for me

And it makes me act superficial over you, oh

It's not you, it's just the things you do

Oh, yeah, yeah

I need way too much of you for me

And it makes me act superficial over you, oh

It's not you, it's just the things you do

Oh, yeah, yeah

I need way too much of you for me

And it makes me act superficial over you, oh

It's not you, it's just the things you do

Oh, yeah, yeah

Let me know now

Let me, let me know now
