

I sip way too much drank  
I don't think I can think  
I won't try to tell lies  
This blunt got me too high  
I won't try to pretend  
'Cause you and I are just friends  
So I won't try to pretend  
'Cause you and I just friends

After all the nights that we spend  
Swear every night too lit  
You spend every night with my clique  
I just never mind, you're a freak  
Telling you it's gettin' too deep  
I'm a player, I just crush baby  
I'm just out here actin' like a new me  
Got this drink up in my cup, baby

I smoke, I sip, I drink  
I'm supposed to stop, but I can't  
Wood grain, top down, switch lanes  
I'm supposed to stop, but I can't  
That whip, that wrist insane  
I'm supposed to stop, but I can't  
Cause I smoke, I sip, I drink  
I'm supposed to stop, but I can't

I sip way too much drank  
I don't think I can think  
I won't try to tell lies  
This blunt got me too high  
I won't try to pretend  
'Cause you and I are just friends  
So I won't try to pretend  
'Cause you and I just friends

You ain't my girl on my slimes  
We just slide sometimes  
You down to ride sometimes  
Rolled up and get high sometimes  
Say you love me, but can't touch me  
But you know your best friend want me  
Is you mad tho?  
Can't f\*ck me  
I tell the truth whenever you double cup me

I smoke, I sip, I drink  
I'm supposed to stop, but I can't  
Wood grain, top down, switch lanes  
I'm supposed to stop, but I can't  
Dat whip, Dat wrist insane  
I'm supposed to stop, but I can't  
I smoke, I sip, I drink  
I'm supposed to stop, but I can't

I sip way too much drank  
I don't think I can think

I won't try to tell lies  
This blunt got me too high  
I won't try to pretend  
'Cause you and I are just friends  
So I won't try to pretend  
'Cause you and I just friends  
I sip way too much drink  
I don't think I can think  
I won't try to tell lies  
This blunt got me too high  
I won't try to be pretend  
'Cause you and I are just friends  
So I won't try to pretend  
'Cause you and I just friends  
  
I sip way too much drink
