

## Jerry Springer

Tory Lanez

She used to work at King Of Diamonds on a Monday  
Only hit the club on Saturday and Sunday  
I used to pull up every weekend should've seen her  
The way she did it nobody could do it cleaner  
I seen her in the suit from her birthday  
And I could tell you the reason these niggas thirsty  
Lil mama gettin it in on the worst day  
Lil mama gettin it in, she fit the school and the gym into her work day  
I'm sprung she got me doing the dishes  
Held a nigga down with the clippers to an extension  
You so bad yeah, you so vicious  
I'm so glad that, you not his chick  
She wanted a nigga and got the right one  
I'm holding it back she looking like fun  
Pull up with me baby and spend the night I-  
Face it I'm sprung and I-

I can't let you go without me  
Shorty got me  
Waiting on lil mama tryna lock me  
It can't be nobody if it's not me  
I'm in the same spot that you dropped me

I can't let you go without me  
Shorty got me  
Waiting on lil mama tryna lock me  
It can't be nobody if it's not me  
I'm in the same spot that you dropped me

You, you, you, you, you  
You sprung me baby I sprung you too  
Too, too, too, too, too  
You outdone me baby Imma outdo  
You, do, do, do, do  
I like a bust it baby Imma bust you too  
Too, too, too, too, too  
I'm sprung and that's true cause

Ooh, you did it, ooh, didn't you?  
I already knew what it takes to get into you  
Ooh, bring it back  
She put that pussy on me she know how to make it clap, make it clap  
I make it clap yo, I make it clap yo  
I have them haters asking how you open that Rolls  
And have them umbrellas coming out of that door  
Have the front doors open up like the back doors I be like  
You ain't rich enough  
You ain't got my bitch in a Lamborghini, bikini, on a beach sitting up  
Now you bitching up, now your bitch with us  
She said that champagne nasty, spit it up  
Tory took one line and made a hot song  
Now the chicks wants tapes I am not y'all  
But it's been five times you ain't get yours  
Maybe on the next song

I can't let you go without me  
Shorty got me

Waiting on lil mama tryna lock me  
It can't be nobody if it's not me  
I'm in the same spot that you dropped me

I can't let you go without me  
Shorty got me  
Waiting on lil mama tryna lock me  
It can't be nobody if it's not me  
I'm in the same spot that you dropped me

You, you, you, you, you  
You sprung me baby I sprung you too  
Too, too, too, too, too  
You outdone me baby Imma outdo  
You, do, do, do, do  
I like a bust it baby Imma bust you too  
Too, too, too, too, too  
I'm sprung and that's true cause

I'm sprung, dog she got me  
Got me doing things I never do, if you ain't been I'm telling you

I'm sprung, dog she got me  
Got me doing things I never do, if you ain't been I'm telling you

You're so sexier to me  
Sexier to me  
Give a damn who your ex be  
I'll be flying to you jet speed  
You sexy, make me wanna get messy  
Make me wanna give it to you all day all night  
In the broad light give a damn who catch me  
You sexy, sprung girl you get me  
Got me doing things I'd never do, and it's true
