

## Jokes on Me

Tory Lanez

Into the morning and clocked out  
Strippers stealing money from your locker  
I've got some bitches and some options  
But you the one, I always pop up for you  
Left side the bar, I'm out there fucking faded  
Ain't anticipate the cab ride home, but we fucking made it  
Sipping .40 too, and Hennessy, and fucking Jägers  
That's the reason why we got so dangerous  
I fucking hate you, I mean, I love you but I fucking hate you  
But why the fuck you make me feel like we'd be fucking major?  
I never meant to make you feel like I would underrate you  
I'll be sitting by this table, I'm so unstable  
Summer by the bleachers, smoking, puffing weed  
Teachers never gave a fuck, they was paid to show up and leave  
Marijuana on my sleeve  
JB practiced varsity, I didn't make it on the team  
So I started selling nicks and dimes and all these 20 beams  
Anything a anything, dub sacks and duffle bags  
Hennessy and Triple Beams  
Shawty said she fuckin' love me, came around and sold me dreams  
I was skating on a thot like a fucking rolling rink  
Selling dope like it's my only thing  
If we get caught that comey swing if crodie sing  
Lawyer fighting cases for the team, we got 40 rings  
Champagne by the cases, I came in with like 40 tings  
I split the scene like the splits in my jeans  
Split in my seams, I'm getting money ain't it  
No one was there to hold you down when it was cloudy, but they show up when  
it's sunny, ain't it?  
And it pours rain on my umbrella but this one I got's forever, oh  
I hope it was funny, ayyo, best friend, we had a thing but that was somethin  
g  
She real as fuck, you could've told her but you dead wrong  
Instead you left her out for dead, girl, is your head gone?  
Fuck is the loyalty? Tell me, who the fuck taught you your loyalty?  
How you try to fuck me and then foil me?  
Popping up in places that you know I'll be?  
I done kept this shit so real, you owe me  
I done kept this shit so real, you know me  
How you moving like I'm not the only?  
How you moving like I left you lonely?  
How you moving like I'm not the old me?  
Yes, I thought you would've been more loyal, loyal to me  
Yes, I thought you would've been more loyal, loyal to me  
And I told everyone that you were loyal, now the joke's on me  
The joke's on me, I told everyone that you were the one, the joke's on me  
And you let them laugh, making jokes of me  
And I told my exes I'd make you my girl, now the joke is on me  
I told the people I love that you were the one, now the joke is on me  
Oh, I'm ashamed, joke's on me  
Oh, I'm ashamed, the joke's on me  
Oh
