

Just Got It Done

Tory Lanez

Quarantine (Quarantine, quarantine)

Well dammit Bob, I won't be a ghetto nigga in the hoods uncle, (Perfect)

If you look at her tig ol biddies (calcium), straight out the doctors room to the onlyfans, there she goes (Ain't nobody got time for that)

Oh we already know, you just got it done, what its poking out for?

What is falling out for?

What is falling out for?

What is falling out for?

You just got it done

Now you got em calling out "Yo"

You done switched your number, but why they calling out for?

Heavy on the stepping, but I'm walking out slow

Heavy on the stepping, but I'm walk, walk, walk, walk

Heavy on the stepping shawty bought herself a baby benz

70 on 7 when she at the gas station bout elevie I be steppin'

Got the glovers mitten, bitch I'm fucking anything I'm catching

I got fast money going in, so money going up

Tryna find a way to money, baby boy I know the route

Had this bitch play me on the blog said we going up

Set said, "they do anything, for clout"

She got a lot of ass, and she got a lot of mouth

She done tallied up the stripper money, got herself a house

We ain't playing, cat and mouse, still I clap it out

We already know, you just got it done, what its poking out for?

What is falling out for?

What is falling out for?

What is falling out for?

You just got it done

Now you got em calling out "Yo"

You done switched your number, but why they calling out for?

Heavy on the stepping, but I'm walking out slow

Heavy on the stepping, but I'm walk, walk, walk, walk

Heavy on the stepping, and I'm deadly with the cross

And I'm heavy with the check in on the celly like a boss

Meal prep me when I check in, I'm a walk to the bank, they gon let me put the check in

Shawty twerk that ass for me if I got, to pay up

Shake what ya mama or yo doctor gave ya

Bust it back, oh forreal, you don't gotta fake ya

Last time you know you made it hot, Jamaica

You be doing numbers on your Onlyfans

Making every nigga feel like they ya only mans

You say you don't strip on that, you just only dance

You tell me this the same shit that you would put on the gram

Talking contour for ya, and you popping pretty

Now you only date niggas out the popping cities

You ain't fucking unless the nigga got the dollars with him, ayy

We already know, you just got it done, what its poking out for?

What is falling out for?

What is falling out for?

What is falling out for?

You just got it

Now you got em calling out "Yo"
