

Midnight's Interlude

Tory Lanez

The boys will always
Will always want the girls
The boys will always
Will always want the girls
The boys will always want
They'll always want the girl

Ooh, why don't you want my love?
Why don't you want me baby?
Ooh, why don't you want my lovin'?
Why don't you want me baby?
Ooh, why don't you want my love? (Oh why?)
Why don't you want me baby? (You don't want my love)
Ooh, why don't you want my love? (Oh yeah)
Why don't you want me baby? (Oh yeah)
Ooh, why don't you want my love? (Oh why?)
Why don't you want me baby? (You don't want my love)

Ooh, why don't you want my love? (Oh yeah)
Why don't you want me baby? (Oh yeah)
Ooh, why don't you want my love? (Oh why?)
Why don't you want me baby? (Don't you want me babe?)
Ooh, why don't you want my love? (Oh yeah)
Why don't you want me baby? (Ohh yeah)
Ooh, why don't you want my love? (Ohh)
Why don't you want me baby? (Oh why?)
Ooh, why don't you want my love? (Girl don't)
Why don't you want me baby?
Girl you got to want me, yeah
But she don't want me
She'll leave out on me
