

Round Here

Tory Lanez

You seen the foreign pull up
I hopped out another one
I fucked up the city, I'm feeling like Diddy
Don't you bring none of that 'round here, pussy

Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Stay the fuck away from 'round here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here

Don't you bring none of that 'round here
Know that we up when it's down, yeah
My niggas come from the T.O
You looking like you don't come from around here
Came in to fuck up the town, yeah
Came in to fuck up the town, yeah
Too many niggas that won't let us see
Fuck it, we shutting shit down then
Don't you bring none of that 'round here
Can't wait to pull that shit 'round here
The murder game it feel like holding a boulder
I can't wait to put that shit down, yeah
This is some real shit, stepping in a pair of Margiela's
Sold London in one day, now I know you niggas all jealous
Say you all jealous...

Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Stay the fuck away from 'round here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here

Don't you bring none of that 'round here
Can't get no money around here

I'm with the youngings, you know they be dumbing
Enough with the fronting around here
Niggas is gunning around here, niggas is drumming around here
Up in the kitchen they whipping, they whipping
They try doing numbers around here
Oh they be hot every summer 'round here
Hopped in the foreign they all stare
Like they should, we in the hood, my niggas good around here
Did all I could around here, I wish you would, around here
Niggas be fronting, I just made a hundred
You sick to your stomach and don't you bring none of that 'round here

Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Stay the fuck away from 'round here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here

Don't you bring none of that 'round here, niggas be all on they fuck shit
Forty be all on the talk, and I walk in the club and I fuck up the function
My niggas is poppin' around here, won't lose it all over some dumb shit
That mean if you fucking with one of us, all of us rushing, there's no one o
n one shit
I'll put your girl in Moschino, she give me the number, it's bingo
Singing like ah-ah-ah, is the only time she get a C-Note
Shawty you know how I get down, shawty, you know how I live now
Cause every night I get this paper, me and Britty Taylor
Understanding, I didn't bring none of that 'round here

Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Stay the fuck away from 'round here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here
Don't you bring none of that 'round here
Don't you bring none of that 'round here
Fuck nigga, don't come around here
Fuck nigga, don't come around here

I mean we do everything extra extravagant, you know
I'm super special with my shit, very lavish
You know what I'm saying?
If Trina was here, she'd say, she'd say
Very, very, very geechy vibe, haha
You know how the fuck I get down

It's young go put the money in the duffle
Brittney Taylor, kill a bitch in every flavor
Let's get paper baby
We gonna keep stunting on the world
And putting trunks in the front
And dropping tops, anybody at the top can be dropped on
And Nyce, you my nigga right now
tell you to tell these niggas something
Cause I can't really get to them right now
So tell these niggas get the fuck better and get a life
Get a life
