

Solar Drive @ Night

Tory Lanez

We fell in love too fast
And then we watched it all crash
Sent chills down my heart and my spine (Yeah-yeah)
But I still want you to be mine

And if I underestimated anything you did for me, yeah
It's 'cause I didn't know, 'cause I didn't know, 'cause I didn'
t know
That love could feel this good
If could rewind time, needa make you mine
You know if I could then I would, yeah-yeah-yeah (Woo)
You know I want you back, I want you back (Woo)
'Cause who gon' make me feel this way?

I want you back
I want you back, yeah-yeah
You know I feel, oh, yes, it's real
I don't know nothin' that can make you feel the way I feel about
you
Ooh-yeah
Ooh-yeah, uh
Ooh-yeah, ha
Ooh-yeah, ha-uh

We felt the rush so fast
So fast that we could not last
Felt like someone took my cove (Yeah-yeah)
You showed me the true meaning of real love

And if I underestimated anything you did for me, yeah
It's 'cause I didn't know, 'cause I didn't know, 'cause I didn'
t know
That love could feel this good
If could rewind time, needa make you mine
You know if I could then I would, yeah-yeah-yeah (Woo)
You know I want you back, I want you back (Woo)
'Cause who gon' make me feel this way?

I want you back
I want you back, yeah-yeah
You know I feel, oh, yes, it's real
I don't know nothin' that can make you feel the way I feel about
you
Ooh-yeah
Ooh-yeah, uh
Ooh-yeah, ha
Ooh-yeah, ha-uh
