

## Baby, I Hate You

Total Chaos

You are the most annoying person, that I have ever met  
Why don't you just keep on walking, do not stop here  
Can't you see that I hate you  
I want you to drop dead  
Please stay away from me, and all my friends

I want you to know, I hate you baby  
I want you to know, I don't care  
So happy when your not around me  
I'm glad when your not there

I can see that no one ever liked you  
You get pushed around at school  
I have always known where to find you  
In a trash can or in a stall  
Even your mom couldn't like you  
Your the slop of them all  
Please stay away from me, I'll always say
