Chamunda Temple Stampede

Tourniquet

Darshan goddess, kneel at her throne 3:45 AM, no way they could have known Ancient holy site, we pay our homage here, and to your honor we will solemnly adhere Crushed under the feet of countless rushing devotees Lungs gasping for breath while standing in the massive queue

Follow the crowd, the thousands avowed, to the temple gates Single file, to the deity within Follow the crowd, the thousands avowed, to the temple gates Single file, 'til the panic soon sets in

Final body count of 148 Hardly a drop of blood was seen on the gate No way to escape the crushing human tide When the crowd beckons you, it's up to you to decide Find your own path out You'll find out what you're all about Crushed under the feet of countless rushing devotees Lungs gasping for breath while standing in the massive queue

Follow the crowd, the thousands avowed, to the temple gates Single file, to the deity within Follow the crowd, your own life avowed, to the bitter fall Single file, 'til the soul inside is sold
