

Can't Stop Thinking About You

Tower of Power

Ooh, ooh
Ooh, ooh

Living for the moment
I'd do almost anything
No matter how hard it tried
I've just gotten by
Never would've known it
It wasn't my destiny
I felt like I'd fallen apart
Then you came and captured my heart

(Can't stop thinking about you) No, no
Can't get you out of my head
(No I just can't stop thinking about you) You're...
You're always there, I see you everywhere
(Can't stop thinking about you) No-oh
Can't get you out of my head
(No I just can't stop thinking about you) oh, oh, oh-oh
You're always there, I see you everywhere
Woo-oooh

I was just a loner
Drifting from here to there
(Drifting to there)
Each and every plan I made
Turned out bad
Thought I had the answers
I didn't know anything
I felt I was losing control
Then you came and captured my soul

(Can't stop thinking about ya) No
Can't get you out of my head
(No I just can't stop thinking about you) Oh
You're always there, I see you everywhere
(Can't stop thinking about you) Oh, no, no
Can't get you out of my head, no
(No I just can't stop thinking about you) no-oh
You're always there, I see you everywhere
Everywhere

(Can't stop thinking about you) Oh girl
Can't get you out of my head, no, no, no, no, no
(No I just can't stop thinking about you) No matter how hard I try
You're always there, I see you everywhere
(Can't stop thinking about you) Oh
Sweet, sweet baby, I love you so much
(No I just can't stop thinking about you) I just can't help it baby
You're always there, I see you everywhere

(Can't stop thinking about you) No, oh girl
You captured my heart
(No I just can't stop thinking about you) I just don't wanna stay, when I feel this way
(You're always there) somebody help me please
(Can't stop, can't stop) No

(Can't stop, can't stop)
You're always there, I see you everywhere
