

Lovin' You Forever

Tower of Power

oooh baby...ooooohh yea..oooooh baby
nothing ever gonna change the way i feel.no one ever
gonna turn my head again now baby.ever since the day i
laid my eyes on you.i knew in my heart this time that
love was real.you were the one for me,that finally set me
free.im going to give you my world..i can give you
everything..
and im loving you next to me
im loving you endlessly
loving you is easy.
cause im loving you forever
loving you hopelessly
loving your kisses sweet
loving,loving me,cause im loving you forever
sunset slow on a painted sky,holding you in my arms as we
watch the world go by,its funny how life just flows when
im with you,make love with me baby,under a silver moon
we'll be as one you'll see our souls were both for free
and my heart is yours...i will give you everything.
and im loving you next to me,loving you endlessly,loving
you is easy,cause im loving you forever,loving you
hopelessly,loving your kisses sweet,loving you,loving
me,cause im loving you forever,
here i am im the happiest man alive its all because of
you. and ill always be there be there by your
side..loving you..loving you forever!
