

Atomik Destruktor

Toxic Holocaust

Peering over the fence
We're ready to fight
Those who oppose us
Will lose their lives
Dropping the bombs
Destroying their home
Homicidal hatred
Found and over!

Atomik Destruktor! (2x)
Countdown begins
And out we go
Warheads are marched
And ready to throw
Wasteland afoot
Picture looks bleak
Wipe out the old, the sick
And the weak!

Atomik Destruktor! (2x)

Ready to fuckin' fight!
