

# Deafened By The Roar

## Toxic Holocaust

Powers, rise  
Destroy, defeat  
Murder, orders  
Liars, deceit

Deafened by the roar of exploding shells

Time, lost  
Wasted life  
Never surrender  
Struggle, survive

Deafened by the roar of exploding shells

Like a headless snake you're shaking with fear  
And the winds of death are growing near

Death awaits us all
