Slaughter all the f*ckin scum
Forged to kill. Shoot them all
Killing every single one
Annihilation, the only choice
Nothing's left but the ash
Disintegrate everything

Not the time to feel remorse
Just shoot and step and kill

Poison them. Gas them all
Unleash the final attack
Suffocation from the corpse
They're never looking back
Buried alive
This battle has been won
No more left. Finish attack
The death has been done

Not the time to feel remorse
Just shoot and step and kill
Ready to get destruction afoot
With the push of the button let's
Send them to Hell!
