

Elocution Lesson

Toyah

The door is a whore
And it's open wide
Naked as the beast
You peep inside
Emotion's an ocean
In which to hide
The door is a whore
And it's open wide
Silent little bitch
sneak in and hide
Tell me you love me
No - tell me
Tell me you love me
The door is a whore
And it's open wide
Naked as the beast
We feast inside
Tell me you love me
If nothing tell the truth
Smiles mean friendship
But silence won;t do
Silence won't do
Silence won't do
