

# Lesser God

Toyah

I won't crack and I won't bleed  
I won't let you see what you've done to me  
I won't break or reinstate  
I won't fake for the sake of peace

Oh this is ecstasy  
Bring it on and challenge me  
Oh this is obscene  
Are you doing it just for me

Am I made by a lesser god  
Because I believe in love  
Am I made by a lesser god  
Thrown from the heavens above

You say you can't feel love  
Can't trust, be affectionate  
You can hate, do you relate  
Causing pain in a reign of fate

Oh this is ecstasy  
Bring it on and challenge me  
Oh this is obscene  
Are you doing it just for me

Am I made by a lesser god  
Because I believe in love  
Am I made by a lesser god  
Thrown from the heavens above  
Am I made by a lesser god  
Because I believe in love

I won't crack and I won't bleed  
You say you can't feel love

Oh this is ecstasy  
Bring it on and challenge me  
Oh this is obscene  
Are you doing it just for me

Am I made by a lesser god  
Because I believe in love  
Am I made by a lesser god  
Thrown from the heavens above

Am I made by a lesser god  
Because I believe in life  
Am I made by a lesser god  
Because I fight for right  
Because I fight for right  
Because I believe in life.
