

# Sympathy

Toyah

(Stansfield/Kassinetti/Gould/Ashton)  
When you climb into your bed tonight  
When you lock and bolt the door  
Just think of those out in the cold and dark  
Cause there's not enough love to go round  
And sympathy is all you need my friend  
And sympathy is all you need  
And sympathy is all you need my friend  
Cause there's not enough love to go round  
Not enough love to go round  
Half the world hates the other half  
And half the world has all the food  
And half the world lies down and quietly starves  
Cause there's not enough love to go round  
And sympathy is all you need my friend  
And sympathy is all you need  
And sympathy is all you need my friend  
Cause there's not enough love to go round  
Not enough love to go round
