

A Little Bit of Missin' You

Trace Adkins

I was on my way home
Been thinkin' 'bout you all day long
And how good it was gonna be
With your arms around me

And I saw that detour sign
Said they closed down 929
Gonna make me an hour late
Ain't nothin' more I hate
Yeah, a little bit of missin' you
Goes a long, long way

I can't imagine not always havin'
Your sweet lovin' makin' my day
Without you, baby, I'd go crazy
And this world could be a lonely place
Oh, a little bit of missin' you
Goes a long, long way

When I finally got to you, girl
It felt like the weight of the world
Had been lifted off my back
Your one touch does all that
Yeah, and a little bit of missin' you
Goes a long, long, long, long, long, long way

I can't imagine not always havin'
Your sweet lovin' makin' my day
Without you, baby, I'd go crazy
And this world would be a lonely place
Oh, a little bit of missin' you
Goes a long, long way

That's right
I can't take but a little bit
Of missin' you

Now I'll do what I have to do
To spend my life lovin' you
'Cause I know in my heart
We were never meant to be apart

Yeah, and it's so good to be kissin' you
Oh, honey, a little bit of missin' you
Goes a long, long, long, long way

I was on my way home
