I Know What Boys Like

I know what boys like, I know what guys want, I know what boys
like, I've got what boys like
I know what boys like, I know what guys want, I see them lookin
g
I make them want me, I like to tease them, they want to touch m
e, I never let them
I know what boys like, I know what guys want, I know what boys
like, boys like, boys like me
But you, you're special, I might let you
You're so much different, I might let you
Oh would you like that, I might let you

I know what boys like, I know what guys want, I know what boys
like, I know what's on their mind
I know what boys like, I know what guys want, they talk about m
e
I got my cat moves that's to upset them
Zippers and buttons, fun to frustrate them
They get so angry like pouty children
Denied their candy, I laugh right at them
I know what boys like, I know what guys want, I know what boys
like, boys like, boys like me

I feel sad now, I will let you
Sorry I teased you, I will let you
This time I mean it, I will let you
Anything you want, you can trust me
I really want to, you can trust me
How would you like it, you can trust me
Sucker
I know what boys like, I know what guys want, I know what boys
like, boys like, boys like me
