

Where The Boys Are

Tracey Ullman

Where the boys are, someone waits for me
A smilin' face, a warm embrace, two arms to hold me tenderly
Where the boys are, my true love will be
He's walkin' down some street in town and I know he's lookin' t
here for me
In this crowd of a million people I'll find my valentine
And then I'll climb to the highest steeple and tell the world h
e's mine
'Till he holds me I wait impatiently
Where the boys are, where the boys are
Where the boys are, where the boys are
Where the boys are, someone waits for me
'Till he holds me I wait impatiently
Where the boys are, where the boys are
Where the boys are, where the boys are
Where the boys are, someone waits for me
Where the boys are, where the boys are
Where the boys are, where the boys are, where the boys are
