

# Freedom Now

Tracy Chapman

They throwed him in jail  
And they kept him there  
Hoping soo he'd die  
That his body and spirit would waste away  
And soon after that his mind

But every day is born a fool  
One who thinks that he can rule  
One who says tomorrow's mine  
One who wakes one day to find

The prison doors open the shackles broken  
And chaos in the street  
Everybody sing we're free free free free  
Everybody sing we're free free free free  
Everybody sing we're free free free free

They throwed him in jail  
And they kept him there  
Hoping his memory'd die  
That the people forget how he once led  
And fought for justice in their lives

But every day is born a man  
Who hates what he can't understand  
Who thinks the answer is to kill  
Who thinks his actions are god's will

And he thinks he's free free free free  
Yes he thinks he's free free free free  
He thinks he's free free free free

Soon must come the day  
When the righteous have their way  
Unjustly tried are free  
And people live in peace I say  
Give the man release  
Go on and set your conscience free  
Right the wrongs you made  
Even a fool can have his day

Let us all be free free free free  
Let us all be free free free free  
Let us all be free free free free

Free our bodies free our minds  
Free our hearts  
Freedom for everyone  
And freedom now  
Freedom now  
Freedom now  
Freedom now

Let us all be free free free free  
Let us all be free free free free  
Let us all be free free free free
