If Not Now...

Tracy Chapman

If not now then when
If now today then
Why make your promises
A love declared for days to come
Is as good as none

You can wait 'til morning comes You can wait for the new day You can wait and lose this heart You can wait and soon be sorry

Now love's the only thing that's free We must take it where it's found Pretty soon it may be costly

If now now what then
We all must live our lives
Always feeling
Always thinking
The moment has arrived
