

## You Can All Join In

Traffic

Here's a little song, you can all join in with  
It's very simple and I hope it's new  
Make your own words up if you want to  
Any old words that you think will do, yeah  
Yellow, blue, what'll I do?  
Maybe I'll just sit here thinking  
Black, white, stop the fight  
Does one of these colours ever bother you?

Here's a little dance you can all join in with  
It's very simple and I hope it's new  
Make your own steps up if you want to  
Any old steps that you think will do  
Left, right, don't get uptight  
Keep in line and you'll be alright  
Clap hands, move around  
Make sure no one puts you down

Here's a little world you can all join in with  
It's very simple and I hope it's new  
Make your own life up if you want to  
Any old life that you think will do  
Love, yeah, it's nothing new  
There's someone much worse off than you are  
Help me set them free  
Just be what you want to be

Here's a little song you can all join in with
