

# Annihilate

## Trampled by Turtles

Lazy summer  
Rotten lumber  
I'm a drunken auctioneer  
Pillbox raincoat  
A bloody halo  
I've been better  
Ain't it clear

Ooh, you can help me out  
Ooh, but I don't know how  
To annihilate  
Annihilate

Posi-traction  
Hired action  
Turn and leave it if you must  
Don't forget to write about it  
Don't forget who you can trust

Ooh, you can break me out  
Ooh, but I don't know how  
To annihilate  
Annihilate

And all our hometowns  
Are havin' breakdowns  
Will you come back off the lake?

Open-minded  
Daily-grindin'  
There's a man up on a hill  
He doesn't like you  
He doesn't love you  
He doesn't know you  
He never will

Ooh, you can burn it down  
Ooh, but I don't know how  
To annihilate  
Annihilate
