

# Come Back Home

Trampled by Turtles

Sorry  
I was following another  
Yeah, I heard it from your brother  
Before you even called  
Empty  
Yeah, this house is empty  
Like before you even met me  
So I'll forget it all

I woke up  
You were gone  
Come back home  
Come back home  
Come back home to me

Good times  
They were market in the sensor  
Yeah I remember dealing records  
Bringing it all back home  
Power  
Is comin through the shower  
And the lightning marks the hours  
And now I'm all alone

I woke up  
You were gone  
Come back home  
Come back home  
Come back home to me

Sorry  
I was over you were under  
And you know it makes me wonder  
Why I'm still here at all  
Silence  
I was curled up beside her  
Mostly following behind her  
Trying not to fall

I woke up  
You were gone  
Come back home  
Come back home  
Come back home  
Come back home  
Come back home  
Come back home to me
