

# A Star to Follow

Trans-Siberian Orchestra

God rest ye merry gentlemen  
God rest ye merry gentlemen

There up in the sky a star to follow  
There up in the sky a star to follow

All  
Await the coming of the Lord  
Await the coming of the Lord  
Await the coming of the ...

Christmas  
Lead and we'll follow  
Hope and tomorrow  
Magic and dreams

You are all this and more now  
Childhood recalls how  
You are  
Visions and...

Christmas  
We are your children  
You take us back when  
Ever we call  
Each year we are here waiting  
Anticipating  
As the snow starts to fall

Merry Christmas  
Merry, Merry Christmas  
Merry Christmas  
Merry, Merry Christmases

Ornaments and evergreens  
With packages as yet unseen  
All wrapped in paper  
Colored bright  
Reflecting candles in the night

With carolers and mistletoe  
And stockings all hung in a row  
Or fireplaces glowing red  
With children safely sent to bed

Ring the bells, Ring the bells  
Let the churches ring the bells!

Joy to the world, the Lord has come  
Let his light shine on everyone

Christmas lead and we'll follow

From London, Rome and Paris  
To Berlin and Tokyo  
Winter never really starts  
Until it's given its first snow
