

## Set Us Free

Transatlantic

Look at the people  
Tossed in turmoil in the street  
Satan like lightning falling down  
The ungodly world  
Is like a vicious troubled sea  
Feels like our ship is sinking down

We have been blinded in our hearts  
We want to say  
And somewhere inside we know  
It's not supposed to be  
Come bring this ship  
Out of the whirlwind and  
Set us free, free, free, free...

Look at the person  
Who is standing to your right  
Look how he's slowly going mad  
Watch how he smiles  
And acts like everything's alright  
But if you close your eyes  
You'll understand

We have been blinded in our hearts  
We want to say  
And somewhere inside we know  
It's not supposed to be  
Come bring this ship  
Out of the whirlwind  
Set us free, free, free, free!

(Set us free, set us free, free, free)
