

## Cell

### Transcending Bizarre?

Pray for his highness  
'Cause he is possessed in the dark  
He was the one who  
Created me cursed and obscene  
Shall I triumph?  
Shall I ever arise?  
From the earth  
Darkness yearning for light bright  
Shall you grant me the gift to live free in my cell?  
Live free in my cell

Six, Six, Six

Creatures of wisdom invading my mind  
Shall I triumph?  
Shall I ever arise from my cell?  
From my cell!  
From my cell!  
From my cell!
