

## Made of Glass

Trapt

I don't know anything at all and I'm somebody else  
It could take years to find you, it could take years to find my  
self  
And I don't need to hear your answer I just need you to see  
That I think it's time to break down these walls that we throw  
up  
Am I still breathing have I lost that feeling  
Am I made of glass 'cause you see right through me  
I don't know who I am and you're the only one who sees that  
I can't ask these questions that cannot be answered today  
And even if everything goes wrong and we start to fall apart  
I will understand where you are, I will understand this by myse  
lf  
And I don't need to hear your answer I just need you to feel  
Like there are no boundaries at all  
And how far have we come, too far to throw away the past  
Will you be there waiting for me  
I have to ask what we are, if I ask today it just won't last  
So I'll be here waiting for you  
Will we ever feel this good again - Not today  
Will we ever feel this real  
Again - Not today  
Will you ever be mine again - Not today  
Will we ever feel this real again - Not today
