

# Inside Out

## Traveling Wilburys

Look out your window  
That grass ain't green  
It's kinda yellow  
See what I mean?

Look up your chimney  
The sky ain't blue  
It's kinda yellow  
You know it's true

It's so hard to figure what it's all about

When your outside's in  
(Inside out)  
And your downside's up  
(Upside down)

Yeah, your upside's right  
(Right side up)  
Yeah, don't it make you wanna twist and shout  
When you're inside out

Look down your drain pipe  
What color do you see?  
It's got to be yellow  
Don't try to fool me

And don't it make you wanna twist and shout

When your outside's in  
(Inside out)  
And your downside's up  
(Upside down)

Yeah, your upside's right  
(Right side up)  
Yeah, don't it make you wanna twist and shout  
When you're inside out

Be careful where you're walking  
You might step in something rough  
Be careful when you're talking  
And saying all that stuff

Take care when you are breathing  
Some thing's funny in the air  
And somethings, I'm not saying  
'Bout what's happening out there  
It's inside out

Look into the future  
With your mystic crystal ball  
See if it ain't yellow  
See if it's there at all

Ain't no shadow of doubt  
Don't it make you wanna twist and shout

When your outside's in  
(Inside out)  
And your downside's up  
(Upside down)

Yeah, your upside's right  
(Right side up)  
Yeah, don't it make you wanna twist and shout  
When you're inside out

Inside out  
Right side up  
Yeah, don't it make you wanna twist and shout  
When you're inside out  
Inside out, inside out
