Driftwood

Everything is open Nothing is set in stone Rivers turn to oceans Oceans tide you home Home is where the heart is But your heart had to roam Drifting over bridges Never to return Watching bridges burn

You're driftwood floating underwater Breaking into pieces, pieces, pieces Just driftwood, hollow and of no use Waterfalls will find you, bind you, grind you

Nobody is an island Everyone had to go Pillars turn to butter Butterflying low Low is where your heart is But your heart has to grow Drifting under bridges Never with the flow

And you really didn't think it would happen But it really is the end of the line So I'm sorry that you've turned to driftwood But you've been drifting for a long, long time

Everywhere there's trouble Nowhere's safe to go Pushes turn to shovels Shovelling the snow Frozen you have chosen The path you wish to go Drifting now forever And forever more Until you reach your shore

You're driftwood floating underwater Breaking into pieces, pieces, pieces Just driftwood, hollow and of no use Waterfalls will find you, bind you, grind you

And you really didn't think it would happen But it really is the end of the line So I'm sorry that you've turned to driftwood But you've been drifting for a long, long time You've been drifting, for a long, long Drifting for a long, long time Travis
