

Love Will Come Through

Travis

Hmi **G** **D** **F#**
If I told you a secret you won't tell a soul,
 Hmi **G** **DF#**
will you hold it and keep it alive.
 Hmi **G** **D** **F#**
Cause it's burning a hole and I can't get to sleep,
 Hmi **G** **D F#**
and I can't live alone in this life.

So look up, take it away,
don't look da-da-da-down the mountain.
If the world isn't turning,
your heart won't return anyone, anything, anyhow.

Hmi **G** **D** **F#**
So take me, don't leave me,
Hmi **G** **D** **F#**
take me, don't leave me,
Hmi **G D** **F#**
baby, love will come through,
 Hmi **G** **D F#**
it's just waiting for you.

And you stand at the crossroads of highroads and lowroads,
and I've got a feeling, it's right.
If it's real what I'm feeling, there's no make believing,
the sound of the wings of the flight.

Of a dove, take it away,
don't look da-da-da-down the mountain.
If the world isn't turning,
your heart won't return anyone, anything, anyhow.

So take me,
