

Roar

Treat

I keep my eyes to the sky, ears to the ground
Gotta learn to fly at the speed of sound
If this is all I have I'm not gonna lose it
And when the siren screams I go for broke

Ready to roar, ready or not
Ready to give it all I've got
Gotta live to win, get up, get out, get even
Ready to roar, ready or not
Ready to give it one more shot
Let the game begin, need something to believe in
Ready to roar!

I guess I'm living too fast to paint the town red
I'll be having a blast, waking the dead
It's like a mystery, to some kind of frightening
To rev it up like a Usain Bolt of lightning

Ready to roar, ready or not
Ready to give it all I've got
Gotta live to win, get up, get out, get even
Ready to roar, ready or not
Ready to give it one more shot
Let the game begin, need something to believe in
Ready to roar!

Ready to roar, ready or not
Ready to give it all I've got
Gotta live to win, get up, get out, get even
Ready to roar, ready or not
Ready to give it one more shot
Let the game begin, need something to believe in
Ready to roar!
Ready to roar!
