

Left Of Center

Trespassers William

if you want me you can find me
left of center
off of the strip in the outskirts
and in the fringes
left of center out of the grip
(repeat verse)
and when they ask me
what are you looking at
i just answer nothing much
i think they know that i'm looking at them
i think they think i must be out of touch
but i'm only in the outskirts
and in the fringes
left of center
off of the avenue
and if you want me
you can find me
left of center
wondering about you
and when they ask me..
i think that somewhere deep inside of us
we must be similar if not the same
so i'll continue to be wanting you
left of center amid the gray
and if you want me you can find me left of center
wondering about you
