

# I Didn't Think It Would Last

Trevor Rabin

She walked in through the back door  
I asked her what she came for  
I'm Eva from the blue train  
But I know that's gotta change

Won't you do me something, Romeo?  
I need a place to go where  
I can stay forever  
I can stay forever

Stay for a couple of days  
You came in from the boulevard  
Stay, then go away  
I'll play for a couple of days  
With a working woman of the Promenade

I didn't expect her to  
Make me feel the way I do  
I didn't think it would last no more

I lost myself in changes  
I stepped into her silhouette  
And I moved into the blue train  
But I know it's gotta change  
Won't you do me something, Juliet?  
I haven't found my contact yet

Stay for a couple of days  
Yo came in cold from the boulevard  
Stay, then go away  
I played for a couple of days  
With a working woman from the Promenade

I didn't expect her to  
Make me look the way I do  
I didn't think it would last no more
