

Black Roses

Trey Songz

Eh eh eh eh

Yup!

Who knew we would be where we are here today

Yeah

Who knew that your heart had a cost I would pay

Girl

Ain't gone be all peaches trough the pain you would stay

I guess, life is not fare no no

Just listen to me, we can't go on

Pretending to be, like we're so strong (strong)

Love (love) gone (gone) gone with the wind

I've got something to give to you

Yup

Black Roses (roses) for this dyin' love (love)

Now we're breakin' up (up)

Since we're givin' up

Black Roses (roses) and everybody turns

Special delivery just for you and I

Who knew our love would ever be

Called a memory

Who knew my home for happiness

Would soon be misery

Hate that we're so distant girl do you even miss me at all

I guess, life is not fare no no no

Just listen to me we can't go on

Pretending to be, like we're so strong (strong)

Love (love) gone (gone) gone with the wind

I've got something to give to you

Black Roses (roses) for this dyin' love (love)

Now we're breakin' up (up)

Since we're givin' up

Black Roses (roses) and everybody turns

Special delivery just for you and I

Can't sleep can't eat (no)

I can't erase the pain (no)

Cause I still feel your heart beat (Yup)

Million miles away (I can't)

I can't think, can't sleep (no)

I can't erase the pain (no)

Cause I still feel your heart beat (Yup)

Million miles away

I can't think, can't sleep, can't eat

Can't erase the pain (no)

Cause I still feel your heart beat

A Million miles away

Black Roses (roses) for this dyin' love (love)

Now we're breakin' up (up)

Since we're givin' up

Black Roses (roses) and everybody turns
