

Foreign Remix

Trey Songz

That foreign
That foreign
That foreign
That foreign

[Justin Bieber]
Let's get going all euphoric
No complaining in the morning
Dominicans, Puerto Rican, you know they do
it for me
See me in a Ferrari where my where my
madder thing is from
If it has some wings, we'd be flying, we'd
be soaring
Ah-ah-ah
When I'm in it I'll be thinking I don't
want this thing to stop
No-o-o
But I'm thinking that you're winning if
you make it to the top floor
That probably means you make me feel some
type of way
Shout-out Miami for having so many foreign
babes

She only been here for two weeks
Came with the girls and they tryna leave
with me
She workin' hard like she tryna get a visa
The way she twerk it I just might pull out
my Visa

[Hook]
After we leave girl, you know where you
going
Straight to the 'tel, you ain't leaving
'till the morning
Same old thing, yeah you know that shit's
boring (that shit's boring)
American you know I had to cop that
foreign (cop that foreign)
American you know I had to cop that
foreign
(She got on a bad bikini, when we in the
Lamborghini)
American you know I had to cop that
foreign
(She from another country, I brought her
to the city with me)
I know it's never boring
American you know I had to cop that
foreign

Just got back from Africa
I swear I saw by...

After we leave girl, you know where you

going
Straight to the 'tel, you ain't leaving
'till the morning
Same old thing, yeah you know that shit's
boring (that shit's boring)
American you know I had to cop that
foreign (cop that foreign)
American you know I had to cop that
foreign
(She got on a bad bikini, when we in the
Lamborghini)
American you know I had to cop that
foreign
(She from another country, I brought her
to the city with me)
I know it's never boring
American you know I had to cop that
