How you doin', who you with, where you be at

Girl, we've had our share of ups and downs
But you know that I'm gon' always be around that's fo sho
And you know how we do, how I roll
And remember ain't a damn thing change so

Holla if you need me
You always gon' be my boo
Holla if you need me
You know I still got chu
And if you ever need me to be
What you need girl, I'm free and forevera you can holla at me

So, holla if you need me
You always gon' be my boo

If you ever need me to be
